Big City Nights

Scorpions

A5 F5 C5 D5
When the daylight is falling down into the night
A5 F5 C5 E5
And the sharks try to cut a big piece out of life
A5 F5 C5 D5
It feels alright to go out to catch an outrageous thrill
A5 F5
But it's more like spinning wheels of fortune
C5 E5
Which never stand still

Big city, big city nights
You keep me burning
Big city, Big City Nights
You keep me burning

When the sunlight is rising up in my eyes
And the long night has left me back at somebody's side
It feels alright for a long sweet minute like hours before
But it's more like looking out for something
I can't find anymore

Big city, big city nights
You keep me burning
Big city, big city nights
Always yearning

There is no dream
That you can't make true, if you're looking for love
But there's no girl
Who's burning the ice away from my heart
Maybe tonight!

Big city, big city nights
You keep me burning
Big city, big city nights
Always yearning
Big city, big city nights
You keep me burning
Big city, big city nights
Always yearning
