

# Crossing Borders

Scorpions

Restless nights up for a ride  
Out of the shadow into the light  
I chase my luck, I live my dream  
The engine's screaming "Set me free"  
Hot wheels on fire  
Come on, Lucille  
Jump the backseat  
On my horse of steel  
Cheer me up  
Don't bring me down  
Don't you let it go  
We're gonna rock this town  
Crossing borders  
Crossing borders  
Come on, baby  
I'll take you 'cross the line  
Oh yeah  
That's right  
Hold on tight, let's slip 'n' slide  
Ain't got no limit to rock the night  
A hot desire, a badass dream  
The motor's dirty, the engine's clean

Cheer me up  
Don't bring me down  
Don't you let it go  
We're gonna rock this town  
Crossing borders  
Crossing borders  
Come on, baby  
I'll take you 'cross the line  
Cheer me up  
Don't bring me down  
Don't you let it go  
We're gonna rock this town  
Crossing borders  
Crossing borders  
Come on, baby  
I'll take you 'cross the line  
C'mon  
Across the line  
Across the line  
Across the line  
Across the line  
You'll see, c'mon, baby  
Across the line  
Woo woo woo  
Yeah, across the line
