Dynamite

Scorpions

Kick your ass to heaven With rock'n roll tonight I'll make this night a special one Make you feel alright Shoot my heat into your body Give ya all my size I'm gonna beat the beat tonight It's time to break the ice Dvnamite Dynamite Dynamite Dynamite Hit the top together Get ya with my spell I'm gonna make my shot tonight Take you down to hell Eat your meat until you're breathless Twirl your hips around I'm gonna break my neck tonight I'll get you off the ground Dynamite You're dynamite Dynamite Dynamite Get it now or never Let's get it really tight We'll make this night a special one Make us feel alright Put your heat into my body Give ya all my size We gonna beat the beat tonight Come on let's break the ice Dynamite You're dynamite Dynamite Dynamite You're dynamite Dynamite Dynamite Dynamite Dynamite Dynamite Dynamite You baby, you baby You're dynamite
