   Auf wiedersehen
                 A
   It's time to say goodbye
                               F#mi
   The party's over as the laughter dies
        As
   An angel cries

   Humanity
   It's au revoir to your insanity
   You sold your soul to feed your vanity
        As              C#mi
   Your fantasies and lies

           C#mi
1. You're a drop in the rain
   Just a number not a name
                   F#mi
   And you don't see it
   You don't believe it
          C#mi
   At the end of the day
   You're a needle in the hay
                 F#mi
   You signed and sealed it
   And now you gotta deal with it

                        A           As
    The water's gonna rise and pull you under
    C#mi                               F#mi
    In your eyes I'm staring at the end of time
                      A
    Nothing can change us
                    As              A
    No one can save us from ourselves
```
