Scorpions

**Fm# E**  
**Fm# E**  
**Fm# E**  
**A E Fm#**

**Fm#**  
1. Have you ever seen the morning  
**E**  
When the sun comes out the shore  
**Fm# E**  
And the silence makes the beauty for a sound  
**Fm#**  
Have you ever sat awaiting  
**E**  
For the time to stand still  
**Fm# E**  
For all the world to stop from turning around

**A**  
R: And you run  
**E Fm#**  
'Cause life is too short  
**A**  
And you run  
**E Fm#**  
'Cause life is too short

2. Have you ever seen the glowing  
When the moon is on the rise  
And the dreams are close to the ones that we love  
Have you ever sat awaiting  
For heaven to give a sign  
So we could find the place where angels come from

R: And you run... (2x)

**D**  
\*: There's a time that turns  
**A**  
Turn back time  
**E Fm#**  
But I don't say: "I can"  
**A E**  
And only words if you believe in the truth  
**D**  
There's a time to live  
**A**  
And a time to cry  
**E Fm#**  
But if you're by my side  
**D**  
I will try to catch a star  
**A E**  
I'll try to catch a star just for you

R: And I run... (2x)

....too short  
...too short  
Life is too short  
...too short  
Yeah, ...too short  
...too short
