1. When I look at you
I can see the sadness in your eyes
In these desperate times
We get pushed and shoved from every side
I can't love you
If you won't let me
Can't touch me
If you don't try
I can feel you
I know that you're ready
B C Dmi
to take it to the other side

2. When you walk away
There's an empty feeling in my mind
As the days go by
We get caught up in our separate lives
If you need me
You know I'll come running
Right to you
Just give me a sign
I won't leave you
We'll make it together
And take it to the end of time

R: Love will keep us alive...
