

Rollin' Home

Scorpions

Way back in the days
It feels so long ago
But I remember it well
Always looking for a pot of gold
An old beat up van
We would drive from gig to gig
I wonder how we survived
But we were on to something big

Now it's time to move along
We're packing this bus to leave and carry on

Here we go!
This rock is rollin' home
This rock is rollin' home
This rock is rollin' home
This rock is rollin' home

You gotta make it or break
I always knew that we were strong
No matter what was said
We wouldn't argue for too long
And when it hit me hard
I thought I can't go on, no more
But at the end of the day
You really know what friends are for

Now it's time to move along
The wheels keep turning round, we'll carry on

Here we go!
This rock is rollin' home
This rock is rollin' home
This rock is rollin' home
This rock is rollin' home

This rock
This rock is rollin' home
This rock
This rock is rollin' home

Now it's time to move along
We're packing this bus to leave and carry on
Carry on, we carry on!

This rock is rollin' home

Here we go!
This rock
This rock is rollin' home
This rock
This rock is rollin' home
Rollin' home
This rock is rollin' home
This rock
This rock is rollin' home
