

# The Good Die Young

Scorpions

You wake up  
Watch the world go 'round  
You shiver  
Feeling upside down  
Your heart is beating fast  
Pumping blood to your head  
Another day to fight  
You have a prayer on your lips under the desert sun  
And a loaded gun

You remember every word  
That your father said  
Stay out of trouble son  
And be true to yourself  
You'll be working like a dog  
Raise a family  
And life will be alright  
But now it's written in the stars if you'll make it out alive  
Out alive

The good die young  
There might be no tomorrow  
In god we trust  
Through all this pain and sorrow  
The good die young  
The flame will burn forever  
And no one knows your name  
Bring the boys back home again

It was a quiet day  
On the streets of hope  
When the bomb went off  
At the side of the road  
Sounds of breaking steel  
An windshield full of blood  
No enemy in sight  
It feels like in a movie scenes are passing by  
It's your life
