

# When Love Kills Love

Scorpions

**F#m**                    **E**                    **F#m**  
1. Suddenly I think I always knew  
**F#m**                    **E**                    **F#m**  
I had my share all mistakes made quite a few  
**F#m**                    **E**                    **F#m**  
Finally I know and that's for sure  
**Bm**                    **A**                    **E**  
I don't look back in anger anymore

2. Suddenly the sun comes up again  
There's a new beginning when we pass the end  
Finally I know and that's for sure  
**Bm**                    **D**                    **E**  
I don't look back in anger anymore

**F#m**    **E**  
R1: When love kills love  
**D**                    **F#m**    **E**  
Will someone rescue me  
**D**                    **F#m**    **E**  
When love kills love  
**D**                    **F#m**    **E-F#m**  
It's cutting through so deep

3. Suddenly I wake up from the dream  
Someone tells me I've been talking in the sleep  
Finally I know and that's for sure  
**Bm**                    **D**                    **E**  
I don't believe in daydreams anymore

R1: When love kills love...

**A**                    **E**                    **F#m**    **A**    **F#m-C#m-Bm**    **E**  
Well life goes round and upside down, it's pretty mad

R2: When love kills love  
Will someone set me free  
When love kills love  
It's cutting through so deep

**A**                    **E**                    **F#m**    **A**    **F#m-C#m-Bm**    **E**  
How can we choose, when all we lose, is all we have

**A**    **E**  
\*: We run away  
**F#m**                    **Bm**  
From all the pain  
**A**    **E**  
We run away  
**F#m**                    **D**    **C#-D**  
From all the pain

R1: When love kills love...

When love kills love  
When love kills love  
When love kills love

When love kills love
