

Apathy

Scott Helman

I take my hand out of my coat
And hand you something you don't really need
And I make it seem like I would like to care
But I'm fine, I'm fine
And I don't need no tears, yea

Cuz it's fun to sit and watch you make it stick like glue
All that I have is apathy for you
It's fun to sit and watch, sit and laugh at you
All that I have is apathy for you
Apathy for you, for you, for you, for you, for you
Ohhh-oh

The storm of things that you suggest is dire
Does not seem to stoke any of my fire
And you write your thoughts and send them to my box
But I fold them up and paper plane them across
And it's not that I think you're right or wrong
It's just that I don't give a shit at all

Cuz it's fun to sit and watch you make it stick like glue
All that I have is my apathy for you
It's fun to sit and watch and you make it stick like glue
All that I have is my apathy for you
Apathy for you, for you, for you, for you, for you
Ohhh-oh

And it's fun to sit and watch and you make it stick like glue
All that I have is my apathy for you
And it's fun to sit and watch and you make it stick like glue
All that I have is my apathy for you
