

Wait No More

Scott Helman

I glued my happiness
To another outcome I can't predict
Keep on thinking life would be perfect if
If I had that something I still can't get

And I don't know where I am tonight
Keep thinkin' 'bout where I want to go
And I wish that I could stop sometimes
And watch the lights over the freeway
Don't know what I'm runnin' from
Waiting for a time that never comes
When it's never gonna be enough?
That's it, I'm done

I don't want to wait, wait no more
That's not what these days, days are for
I don't want to wake up one day and realize I missed out
On right now, right now, no
I'm not gonna wa-a-a-a-wait
Wait no more
Wait
Wait no more

One day I'll fly a plane
I'll be looking down on the little things
Ah but right now they still seem so big
Isn't this longing the strangest thing?

And I don't know where I am tonight
Keep thinkin' 'bout where I want to go
And I wish that I could stop sometimes
And watch the lights over the freeway
Don't know what I'm runnin' from
Waiting for a time that never comes
When it's never gonna be enough?
That's it, I'm done

I don't want to wait, wait no more
That's not what these days, days are for
I don't want to wake up one day and realize I missed out
On right now, right now, no
I'm not gonna wa-a-a-a-wait
Wait no more
Wait
Wait
Wait no more
Wait
Wait no more

Don't know where I am tonight
Waiting for a time that never comes
When it's never gonna be enough
That's it, I'm done
