

# Hound Dog

Scott Henderson

Got a smelly ol' dog, baby  
Ya know he's a smelly ol' hound  
Got a smelly ol' dog, baby  
Ya know he's a smelly ol' hound  
If I can't make him go away  
They gonna run me outa town

I tried to bathe him, baby  
Just the other day  
But when I put him in the tub  
The water got up an' ran away

I shot him 20 times, baby  
An' each time down he fell  
But the angels wouldn't take him, baby  
Cause they couldn't stand the smell
