

Lola Fay

Scott Henderson

You can't do that, no
Take a cousin to your bed
Aunt don't like it, uncle says no
Put a bullet in your head

City boy... country girl that ain't the way
Gene pool damage but I don't care
Gotta have your Lola Fay

Lola Fay
What a lay
Lola Fay
In the hay

Six fingers... six toes...
Watchin' my children grow-oh-oh
Lola, Lola, Lola, Lola, Lola
You shoulda told me no, no, no
