

Black Bird

Scott Matthew

I'm a little black bird
nestled in the dark
you tell me there's an outside
world
hurricanes and sparks

I'm a little black bird
nestled in your palm
you tell me there's an outside
world
I'm sure it can't be as warm

I don't want to learn to fly

if I want the answers to thousands of questions
tell me to
throw them to the wind
I think we've found the one
solution
to a thousand questions
help me clip my wings

I don't 'want to learn to fly
that would mean I'd say goodbye
