

Do You Really Want to Hurt Me?

Scott Matthew

In my heart the fire's burning
Choose my color, find a star
Precious people always tell me
That's a step a step too far

Do you really want to hurt me?
Do you really want to make me cry?
Precious kisses, words that burn me
Lovers never ask you why

Words are few I have spoken
I could waste a thousand years
Wrapped in sorrow, words are token
Come inside and catch my tears
You've been talking but believe me
If it's true you do not know
This boy loves without a reason
I'm prepared to let you go

If it's love you want from me
Then take it away
Everything's not what you see
It's over again

Do you really want to hurt me?
Do you really want to make me cry?
Do you really want to hurt me?
Do you really want to make me cry?

Do you really want to hurt me?
Do you really want to make me cry?
Do you really want to hurt me?
Do you really want to make me cry?
