

Holy man

Scott McKenzie

Holy man
He came from the wood
Holy man
So simple and good
Holy man
Holding flowers and fruits
Holy man
Touching peace and truth

Someone's laughing
Close your eyes and you will hear
Some are loving
Don't you wish that you were there

Everyman sharing love
Everyman follow the dove
Holy man
Only love will take you there
Holy man
He came from the wood
Holy man
So simple and good
Holy man
Holding flowers and fruits
Holy man
Touching peace and truth

Holy man
Close your eyes then you will hear
Holy man
Don't you wish you were there.
