

Yves

Scott McKenzie

Early one day
Yves had something to say
Marched right at the head
Someone shot him dead

So all of his friends
They lit a candle for him
And all through the night
So much candlelight

I know how you think you're afraid
Don't you know that it's still not too late?
You can go now
Yves has shown you how

And there's nothing that you need to know
Just get up and go
Go now and be blessed
Yves has done the rest
