

Dancing In The Rain

Scott Stapp

I've been down
A winding road
Where the broken go
To fade away
I don't see
The world the same
All I thought that mattered
Doesn't mean a thing

Can't let the wind
Blow out the flame on this candle
Won't let the clouds
Stop me from chasing the sun
I'm chasing the sun

I'm alive today
Might be gone tomorrow
But that's okay
I'm dancing in the rain
Where I am is home
I'm a rolling stone
What can I say?
I'm dancing in the rain
I'm dancing in the rain

I'm looking up
God, hear me out
I'm on the edge
Can you part the waters now?
It's not the end, but it
Feels like the end, and I
Can't pretend, I know
Everything is changing

Can't let the wind
Blow out the flame on this candle
Won't let the clouds
Stop me from chasing the sun
I'm chasing the sun

I'm alive today
Might be gone tomorrow
But that's okay
I'm dancing in the rain
Where I am is home
I'm a rolling stone
What can I say?
I'm dancing in the rain
I'm dancing in the rain

I'm alive today
Might be gone tomorrow
But that's okay
I'm dancing in the rain
Where I am is home
I'm a rolling stone
What can I say?

I'm dancing in the rain

I'm alive today

I'm alive today

Might be gone tomorrow

Might be gone tomorrow

But that's okay

That's okay

I'm dancing in the rain

I'm dancing in, dancing in the rain

Where I am is home

I'm a rolling stone

I'm a rolling stone

What can I say?

What can I say?

I'm dancing in the rain

I'm dancing in the rain

I'm dancing in the rain

I'm dancing in the rain

I'm dancing in the rain
