

Gone Too Soon

Scott Stapp

So heavy I hit the floor
My heart is shaken and torn
Can't catch my breath don't know what to feel
My tears are starting to burn
I scream it wasn't your turn
I can't believe it, this can't be real

Gone too soon my friend
I know your dancing with angels on the wind
It's not the end
Until I reach forever
And were together
You will always be
Gone too soon

A heart with love left to give
A soul with life left to live
So full of color not one defined you
I wish I had one more day
So much that I'd want to say
So much that I didn't take the time too

Gone too soon my friend
I know your dancing with angels on the wind
It's not the end
Until I reach forever
And were together
You will always be
Gone too soon

Oh... Gone too soon
Oh... Yeah...

Still can't believe that its true
Still can't believe that's its you

Gone too soon my friend
I know your dancing with angels on the wind
It's not the end
Until I reach forever
And were together
You will always be
Gone too soon
Gone too soon
Gone too soon
