

What I Deserve

Scott Stapp

Can you see how this stuff could work in your life?
One last principle and we'll bring this to a close

Love is fear
The fear of losing the feeling that keeps you alive
Keeps you alive
Love is anger
The anger that comes when I see that you wasted your life
Wasting your life
Love is breathing
You couldn't stop it if you tried
What comes around again and again
Will open up your eyes

I am guilty, I am innocent
I am searching for deliverance
I get lost, I get hurt
I just want what I deserve
We are sons, we are daughters
We are fire, we are water
We all choose who we serve
I just want
I just want what I deserve

Love is dead
Unless you bring it back to life
It takes two sides
It takes two sides
Love is choosing
Love is fighting
Love is learning and surviving
Just accept
What you give is what you get

I am guilty, I am innocent
I am searching for deliverance
I get lost, I get hurt
I just want what I deserve
We are sons, we are daughters
We are fire, we are water
We all choose who we serve
I just want
I just want what I deserve

Did you think God wouldn't send you the truth?
I am all those things that are honest
That are just
That will transform life

I am guilty, I am innocent
I am searching for deliverance
I get lost, I get hurt
I just want what I deserve
We are sons, we are daughters
We are fire, we are water
We all choose who we serve
I just want

I just want what I deserve

Our beliefs enter the thoughts, emotions, and then our actions
And we need to realize that the Holy Spirit will lead us into all truth
