

# You're Not Alone

Scott Stapp

Mirror, mirror, what do you see?  
Am I looking at you? Are you looking at me?  
Mirror, mirror, look what you've done  
I don't know who I am or what I've become

Oh, don't you give up on me  
Oh, I won't give up on you

Stop wasting your time  
Drawing blood from a stone  
Your search for truth  
Is a dead-end road  
You gotta dig deep to find your soul  
The heart of salvation is a heart of gold  
Wherever you roam  
You're not alone  
You're not alone  
You're not alone  
You're not alone, you're not alone

Listen, listen, what do you hear?  
A voice in your head, a ring in your ear  
Listen, listen, don't run away  
What's speaking the truth is calling your name

Oh, don't you give up on me  
Oh, I won't give up on you

Stop wasting your time  
Drawing blood from a stone  
Your search for truth  
It's a dead-end road  
You gotta dig deep to find your soul  
The heart of salvation is a heart of gold  
Wherever you roam  
You're not alone  
You're not alone, you're not alone

Stop wasting your time  
Drawing blood from a stone  
Your search for truth  
Is a dead-end road  
You gotta dig deep to find your soul  
The heart of salvation is a heart of gold  
Wherever you roam  
You're not alone  
You're not alone  
You're not alone  
You're not alone, you're not alone
