

Easy Come Easy Go

Scott Walker

Easy come, easy go
That's the way if love must have its stay
Then ours, it came-
Let it go

No remorse, no regret
We should part exactly as we met
Just easy come, easy go

We never dreamt of romantic dangers
Now that it ends- let's be friends
And not two strangers

Easy come, easy go
Here we are, so darling: au revoir
Easy come, easy go
