

# Maria Bethania

Scott Walker

Everybody knows that our cities were built to be destroyed  
Everybody knows that our cities were built to be destroyed  
You get to know it  
You buy a flat  
You hide behind the mat  
But I know she was born to do everything  
Wrong before our love died  
But I know she was born to do everything  
Wrong before our love died

Maria Bethania please send me a letter  
I wish to know things are getting  
Better better better better better  
Bethania please send me a letter  
I wish to know things are getting better

She has give out a soul to the devil but  
The devil gave his soul to God  
She has give out a soul to the devil but  
The devil gave his soul to God.  
Before the flood  
After the flood  
Before you can't see  
She has given the soul to the devil  
And bought a flat by the sea  
She has given the soul to the devil  
And bought a flat by the sea

Maria Bethania please send me a letter  
I wish to know things are getting better,  
Better, better, better, better.  
Bethania please send me a letter  
I wish to know things are getting better

Everybody knows that it's so hard to dig and get to the root  
Everybody knows that it's so hard to dig and get to the root  
You eat the food  
You go ahead  
You wake up on your head  
But I love her face cause it has nothing to do with all I said  
But I love her face cause it has nothing to do with all I said

Maria Bethania please send me a letter  
I wish to know things are getting better  
Better, better, better, better  
Bethania please send me a letter  
I wish to know things are getting better
