

Swim Up Bar

Scotty McCreery

Me and my boss had a parting of ways
Just a small disagreement on what I didn't get paid
So I'm making the most of what I had saved
A little goes a long way down here

When it gets a little hot in the heat of the day
I just float on over and find a little bit of shade
They got lots of options of frozen concoctions
And a free lime with every beer

Here at the swim up bar
With my waterproof credit card
Got the breeze and a blender
And some cute bartenders named
Maria, Juanita and Erica
A little drunk in Mexico
Looking out on the Gulf of America

I'm making new friends and learning the language
Rolling my R's and brushing up on my Spanglish
Por favor señorita, uno mas margarita
And uno, dos, tres shots of tequila

At the swim up bar
With my waterproof credit card
Got the breeze and a blender
And some cute bartenders named
Maria, Juanita and Erica
A little drunk in Mexico
Looking out on the Gulf of America

I'm sitting here thinking
I'm a quarter Puerto Rican
But a 100 por ciento 'sho that I ain't leaving...this

Gulf of America

Thanks to Tequila, Sophia and Erica
