Summertime

Scouting for Girls

Maybe it's the way she tastes of sunshine and the sea
And every time I see her, she looks good enough to eat
She's like a suntan guaranteed to never fade
I know summer can not last but my love will not change

Baby, don't you go, don't you go leaving
'Cause you give me the summertime feeling
She gives me the summertime feeling
And just when I need it
Darling, all the winter I waited
So cold, oh bad, how I hate it
But you give me the summertime feeling
And just when I need it

Every day like the weekend
Now it feels like I'm dreaming
I used to be freezing
Now I got the summertime feeling
Darling, don't stop believing
I'm going home, so turn down the heating
You don't need it
'Cause I got the summertime feeling

Give me that summertime
Give me that summertime
Give me that summertime
Give me that summertime

Maybe it's the way that she leaves sand in my sheets
'Cause every day I'm with her, it's like a day at the beach
And she's like a Friday night, summer state of mind
And even in the winter, if I'm with her there's sunshine

Baby, don't you go, don't you go leaving
'Cause you give me the summertime feeling
She gives me the summertime feeling
And just when I need it
Darling, all the winter I waited
So cold, oh bad, how I hate it
But you give me the summertime feeling
And just when I need it

Every day like the weekend
Now it feels like I'm dreaming
I used to be freezing
Now I got the summertime feeling
Darling, don't stop believing
I'm going home, so turn down the heating
You don't need it
'Cause I got the summertime feeling

Give me that summertime
Give me that summertime
Give me that summertime
Give me that summertime (the summertime feeling)

Baby, don't you go, don't you go leaving

'Cause you give me the summertime feeling
She gives me the summertime feeling
And just when I need it
Darling, all the winter I waited
So cold, oh God, how I hate it
But you give me the summertime feeling
And just when I need it

Every day like the weekend
Now it feels like I'm dreaming
I used to be freezing
Now I got the summertime feeling
Darling, don't stop believing
I'm going home, so turn down the heating
You don't need it
'Cause I got the summertime feeling

Give me that summertime
Give me that summertime (the summertime feeling)
Give me that summertime
Give me that summertime ('cause I got the summertime feeling)
Give me that summertime
Give me that summertime (the summertime feeling)
Give me that summertime
Give me that summertime
