

# The Universal

## Scouting for Girls

Well it really, really, really could happen  
Yes it really, really, really could happen  
When the days they seem to fall through you will just  
Let them  
Go  
Let them go

This is the next century  
Where the universal's free  
You can find it anywhere  
Yes the future's been sold

Every night we're gone  
And to karaoke songs  
How we like to  
Sing along  
Although the words are wrong

It really, really, really could happen  
Yes it really, really, really could happen  
When the days they seem to fall through you will just  
Let them  
Go  
Let them go

It really, really, really could happen  
Yes it really, really, really could happen  
When the days they seem to fall through you will just  
Let them  
Go  
Let them go

No one here is alone  
Satellites in every  
Home  
Yes the universal's here  
Here for everyone

The paper that you read  
Says: tomorrow's your lucky day  
Well here's your lucky day

It really, really, really could happen  
Yes it really, really, really could happen  
When the days they seem to fall through you will just  
Let them  
Go  
Let them go

'Cause it really, really, really could happen  
Ah, yes it really, really, really could happen  
When the days they seem to fall through you will just  
Let them  
Go  
Let them go
