

# This Ain't A Love Song

## Scouting for Girls

Every night I remember that evening  
The way you looked when you said you were leaving  
The way you cried as you turned to walk away  
The cruel words and the false accusations  
The mean looks and the same old frustrations  
I never thought that we'd throw it all away  
But we threw it all away.

And I'm a little bit lost without you  
And I'm a bloody big mess inside  
And I'm a little bit lost without you  
This ain't a love song this is goodbye (ooh)  
This ain't a love song this is goodbye (ooh)

I've been lost, I've been out, I've been losing  
I've been tired, I'm all hurt and confusion  
I've been mad, I'm the kind of man that I'm not  
I'm going down, I'll be coming back fighting  
I may be scared and a little bit frightened  
But I'll be back, I'll be coming back to life  
I'll be coming back to life

And I'm a little bit lost without you  
And I'm a bloody big mess inside  
And I'm a little bit lost without you  
This ain't a love song this is goodbye (ooh)  
This ain't a love song this is goodbye (ooh)

Who  
And you can try (you can try)  
And you can try but you'll never keep me down  
And you can try (you can try)  
And you can try but you'll never keep me down

La la la la la la la la la  
(I won't be lost, I won't be down)

And I'm a little bit lost without you  
And I'm a bloody big mess inside  
And I'm a little bit lost without you  
This ain't a love song this is goodbye

It's alright (It's alright) cause you can try but you'll never keep me down  
It's alright (It's alright) I may be lost but you'll never keep me down  
You can try (you can try) you can try but you'll never keep me down  
You can try (you can try) I know I'm lost but I'm waiting to be found  
You'll never keep me down  
You'll never keep me down  
Never keep me down
