

# Opening Night

Scowl

Open up to you again  
Every night song and dance  
It's all the same I forget where I am  
Don't feel bad- this is part of the plan

This is part of the plan  
This is part of the plan  
This is part of the plan

Opening night I see you again  
Stared so hard the pavement got schiz-schiz-schiz-schizophrenia  
Everything it looks the same  
Don't feel bad- this is part of the plan

This is part of the plan  
This is part of the plan  
This is part of the plan

It's opening night I see you again

I am just a face, I forget my name

Open up to you again  
Every night song and dance  
It's all the same I forget where I am  
Don't feel bad this is part of the plan

Do you relate? Do you feel fake?
