

## Sold Out

Scowl

I won't bear the weight of everything  
Drag me way down and underneath  
Way that you drag me down  
Way that you drag me down  
I won't bear the weight of everything

Out, I'm checking out  
I'm burning out  
Don't sell me out  
Out, I'm checking out  
I'm burning out  
Don't sell me out  
Don't sell me out

I can't stand the way you talk to me  
Drag me way down and underneath  
Way that you drag me down  
Way that you drag me down

Don't drag me down

I'm burning out  
Yeah I'm falling down, down  
Bruised my knees on my way down, down  
Down

I'm checking out  
I'm burning out  
Don't sell me out  
Out, I'm checking out  
I'm burning out  
Don't sell me out  
Don't sell me out
