

Vanishing Commissars

Scream

Sliding on a pocket knife blade
Finding life cuts both ways
Gotta get free to be renewed
Wanna live and die like our heroes
And get to the other side

Yeah, we gotta go
Before the bridges close
Yeah, we gotta go
Before the bridges close
Yeah, we gotta—

Vanimals and Vagabonds
The Vanishing Commissars
Nomads always on the run
Smash it down to feel alive
Straight razor in my eyes
Fighting for lives like our heroes
In a Russian knife fight

Yeah, we gotta go
Before the bridges close
Yeah, we gotta go
Before the bridges close
Yeah, we gotta—

City of Stone St. Petersburg (Woah)
The old guard is rowing home
To be set free and renewed
Lived and died like our heroes
And get to the other side

Chorus
Yeah, we gotta go
Before the bridges close
And get to the other side

Yeah, we gotta go
Before the bridges close
Yeah, we gotta go
Before the bridges close
Yeah, we gotta go
Before the bridges close
