

Tell the great Unknown  
You refuse, you drive alone  
And take yourself home  
Get high and quiet

Ask me  
Play for me  
That song that you wrote  
Histerically loud  
And cry for me  
'Cause I figured it out  
I figured you out

I fall so deeply  
And I fall so deeply  
And I fall so deeply  
And I fall

Lost in luxury  
What dead family does  
Escape with their past  
Get high for entry

Ask me  
Play for me  
That song that you wrote  
Histerically loud  
And lie to me  
'Cause I figured it out  
I figured you out

I fall so deeply  
And I fall so deeply  
And I fall so deeply  
And I fall

All at once  
You're so mean  
My breath on glass  
You fall asleep

So deeply  
And I fall so deeply  
And I fall so deeply  
And I fall so deeply  
And I fall so deeply  
And I fall so deeply  
And I fall so deeply  
And I
