Baby, you're driving me crazy  
The way you turn me on  
And then you shut me down  
Well, tell me baby

Psycho

Baby, you're driving me crazy  
I said, I'm losing my mind  
You treat me so unkind

Psycho

Ow!

Baby, you're driving me crazy  
I'm going out of my head  
And now I wish I was dead

Psycho

Ow!

Baby, you're driving me crazy  
I'm going out of my head  
And now I wish I was dead

Psycho

Oh, psycho

Oh, psycho

Oh, psycho

Oh
