

Air pollution and all the problems
Do you think it's gonna stop?
The dollar's going down
And the crime rate's going up
The Russians say they don't want a war
That's 'cause they're on the top
D'ya ever really stop and think
It's never gonna stop?

I don't wanna go, I don't wanna die
So let's drop the bomb this time
Let's drop the bomb, let's drop the bomb
Let's drop the bomb this time

Everything they say and do
You know it's all a lie
They lie to me, they lie to you
They've got their reasons why
You're either all for that
Or else you're not at all
They take you away in the dead of night
And it's backs against the wall

I don't wanna go, I don't wanna die
So let's drop the bomb this time
Let's drop the bomb, let's drop the bomb
Let's drop the bomb this time
Everything they say and do
You know it's all a lie
Let's drop the bomb, let's drop the bomb
Let's drop the bomb this time

Air pollution and all the problems
Do you think it's gonna stop?
The dollar's going down
And the crime rate's going up
The Russians say they don't want a war
That's 'cause they're on the top
D'ya ever really stop and think
It's never gonna stop?

I don't wanna go, I don't wanna die
So let's drop the bomb this time
Let's drop the bomb, let's drop the bomb
Let's drop the bomb this time
Everything they say and do
You know it's all a lie
Let's drop the bomb, let's drop the bomb
Let's drop the bomb this time
