

Chain Saw

Screeching Weasel

Oh, ah-oh oh, ah oh
A-wa-a-wa-a-wa-oh
Oh, ah-oh oh, ah oh
A-wa-a-wa-a-wa-oh

Sitting here with nothing to do
Sitting here, thinking only of you
But she'll never get out of there
She'll never get out of there

Sitting here with nothing to do
Sitting here, thinking only of you
But she'll never get out of there
She'll never get out of there
I don't care
A-whoa whoa

Texas chainsaw massacre
They took my baby away from me
But she'll never get out of there
She'll never get out of there

Texas chainsaw massacre
They took my baby away from me
But she'll never get out of there
She'll never get out of there
I don't care
A-whoa whoa

When I saw her on the corner
She told me, told me, told me, told me she wouldn't go far
Now I know I'm so much in love
'Cause she's the only girl that I'm ever thinking of

Texas chainsaw massacre
They took my baby away from me
But she'll never get out of there
She'll never get out of there

Texas chainsaw massacre
They took my baby away from me
But she'll never get out of there
They chopped her up, and I don't care
I don't care
A-whoa whoa

Texas chainsaw massacre
Texas chainsaw massacre

Oh no
Oh yeah...
