

El Mozote

Screeching Weasel

somewhere in el salvador there's a grave for 700 pits full of g
uts and kids who were tortured and hunted by death squad soldie
rs who won't ever be purged or punished piad for by a governmen
t that our tax dollars funded el mozote (3x) but that was so lo
ng ago and our officials have retired and once the stench is go
ne it's easy to forgive liars and there's so many atrocities th
is nation's since acquired and a my lai dosen't mean much when
the papers stay quiet
