

I Hate Led Zeppelin

Screeching Weasel

Robert Plant is a slimy fuck
John Bonham man, he really sucked
Those greedy fuckers, those phoney shits
They made their money off idiots
I hate Led Zeppelin (2x)
12 dollar concerts were all the rage
They bought cocaine for Jimmy Page
"Stairway to Heaven" makes me see red
Bonzo's buried, only three more left
I hate Led Zeppelin (2x)
