

Nothing Matters

Screeching Weasel

Hey girl, you look so picture perfect
No one would even want to touch you
Do you have a mind at all?
You've got a brain, but you don't wanna show it
Your life's a sitcom, don't act like you don't know it
Don't you ever get sick of playing it safe?

Ah-ahh ah-ahh
Nothing matters now, matters now
Ah-ahh ah-ahh
Nothing matters

[?] has become the same
[?] it was lame
Why do you always have to say the right thing?
You drift away, you'll forget about your scene
You'll straighten up, change your name to Mr. Clean

Ah-ahh ah-ahh
Nothing matters now, matters now
Ah-ahh ah-ahh
Nothing matters now, matters now

Matters now, matters now, matters now
Matters now, matters
Nothing matters
