

Problematic

Screeching Weasel

Try to tell us you're no intersectional rebel
They're just jealous
They wanna drag you down to their level
And time after time this keeps happening to you
Oh, to you
To you, only to you

Problematic
They've internalized their oppression
But I'm a romantic
I'll never be a microaggression, baby
And I don't know why this keeps happening to you
Oh, to you
To you, only to you

Come on over here, my darling
I'll keep you safe
You need a man to protect you
You are fragile, you are delicate, you are woman
And I will keep you safe, my darling
Free speech is a tool of the privileged class
It's hate speech, unsafe speech
But I'll be your knight in shining armor, baby
I'll be your safe space

Only you, only you
Only you, only you
Only you, only you
Only you, only you
