

Say No! to Authority

Screeching Weasel

That's right, your stereo is fucked up

I like Ronald Reagan
He teaches me to be a man
He shows me how to pull a scam
In the name of Uncle Sam
And I like Edwin Meese the Third
He tells me how to spend my time
Keeps nasty thoughts far from my mind
So that I don't grow up blind

I say no!
I say no!
I say no!
To authority

I like my policeman
He rules my world with guilt and fear
Makes sure I know he's always near
In case I should start acting weird
Well, I need you, Big Brother
To show me how I should feel
To make sure I never stray
To make things be okay

I say no!
I say no!
I say no!
To authority
