Screeching Weasel

Take stock of the situation assess the complications that arise
from our half
truths the stage in this case is just a tool to make it possibl
e for you to
justify your blighted worldview I've got an answer if we don't
need it we
don't take it the scams transparency is we get older and we fee
l like we are
missing something we wonder why our plans don't work when we ta
ke a stand we
slink away like frightened rats I've got the answer if we don't
need it we
don't take it we want to build a perfect world somehow but the
prizes just
out of reach have slowed us down
