

Static

Screeching Weasel

static it almost has you begging for a gun to put to your head
static cryogenics for the mind crawling for the safety of your
bed static another strip mall solution for the endless insanity
static deliberate de-evolution of the soul of a species and if
i see another crack then i think i'm gonna crack 'cause i can'
t go on static a leering millionaire comedian cum working man o
n tv static a systematic corrosion of the core of society stati
c cartoon voices on the radio encouraging a shaking fist static
another virus feeding off teh frenzied orgy of violence and if
i see another crack then i think i'm gonna crack 'cause i can'
t go on
