

## Turn It Around

Screeching Weasel

Monday rolled out of bed, and things looked great at first  
But Tuesday was a drag, and Wednesday somehow ended worse

This is one in a million, baby  
And I've said all I can say  
This is one in a million, baby  
You're messing it up  
You're throwing it all away

Turn turn, turn it around  
A-woah-oh oh  
Turn turn, turn it around

Sunday [?] and the beer and cigarettes  
[?] and half-hearted regrets

This is one in a million, baby  
You're breaking the spell  
This is one in a million, baby  
You're messing it up  
You're blowing it all to hell

Turn turn, turn it around  
A-woah-oh oh  
Turn turn, turn it around

As the days of the week and the weeks of the months  
And the months of the years go by  
I'm giving up 'til you turn it around

On the east side, on the west side  
On the south side too  
You never listen  
I'm outside of you

This is one in a million, baby  
You're breaking the spell  
This is one in a million, baby  
You're messing it up  
You're blowing it all to hell

Turn turn, turn it around  
A-woah-oh oh  
Turn turn, turn it around

As the days of the week and the weeks of the months  
And the months of the years go by  
I'm giving up 'til you turn it around

On the east side, on the west side  
On the south side too  
You never listen  
I'm outside of you
