

What Is Right?

Screeching Weasel

Gotta learn soon that things never last
'Cause I'm a punk rock Christian with a bug up my ass
Gotta know now if it's all worth the fight
'Cause if there's really a God, then what else is right?

What is right?
What is right?
What is right?

Got a lot of people don't like my attitude
But I don't know what the fuck I should do
If you think it's okay when I rip in a song
Then why, when I do it to you, is it wrong?

Is it wrong?
Is it wrong?
Is it wrong?

Well, I got a girl, and I know I'm in love
If you fight all the time, can that be enough?
I got a girl, and I know that she loves me
So why should I feel fucked up, shut out, holed up
Shut up in destiny?

Fuck!
Fuck!
Fuck!
Fuck!
Fuck!

Fuck you!
Fuck you!
