

# Annoying

SD

I stay hearing stories, stories  
I have these niggas' money never stop  
These bitches they bore me, bore me  
Girl that pussy weak just give me top

I stay hearing stories, stories  
I have these niggas clean and getting guwap  
You should feel sorry, sorry  
Cause you fell off and you broker than you thought  
I don't want no Maury, no Maury  
Girl I don't want the baby anyway  
These hoes they annoying, annoying  
Girl I'm too busy tryna get some cake

I stay hearing stories, stories  
I have these niggas' money never stop  
These bitches they bore me, bore me  
Girl that pussy weak just give me top  
This about the glory, the glory  
That's why I had to fall in love with guwap  
I don't want no Maury, no Maury  
Girl why you tryna knock me from the top?  
You should feel sorry, sorry  
Cause you was up just tryna get some cake  
Money coming always, no off days  
Girl I'm too busy loading up the stock

I stay hearing stories, stories  
I have these niggas clean and getting guwap  
You should feel sorry, sorry  
Cause you fell off and you broker than you thought  
I don't want no Maury, no Maury  
Girl I don't want the baby anyway  
These hoes they annoying, annoying  
Girl I'm too busy tryna get some cake

This bitch steady calling, nagging and stalking  
Girl I'm just tryna get the fuck away  
I'm tryna be cautious, not nauseous  
Girl why you so annoying anyway?  
You should be out balling, not fallen  
I think you better hustle out the state  
You too busy talking, and stalling  
I think this money got me feeling great  
We could be out palm trees and OG  
Girl I'll make you feel some kind of way  
You used to the barking, and howling  
Girl I ain't tryna steer you the wrong way

I stay hearing stories, stories  
I have these niggas clean and getting guwap  
You should feel sorry, sorry  
Cause you fell off and you broker than you thought  
I don't want no Maury, no Maury  
Girl I don't want the baby anyway  
These hoes they annoying, annoying  
Girl I'm too busy tryna get some cake
