

I got some big things for you, don't worry 'bout tonight
I might just risk it for you, don't worry 'bout your life
I might just rescue you, and I'ma treat you right
I want the best of you, don't worry 'bout tonight
I got some big things for you, don't worry 'bout tonight
I might just risk it for you, don't worry about your life
I might just rescue you, and I'ma treat you right
I want the best of you, don't worry 'bout tonight

I'll take that chance 1, 2
Girl read me all your rights, I know I'm right for you
Don't let them in our way girl let's just make this circle and let them feel
our base
We gon get straight right to it, I clean you like a maid
Girl no don't hide girl don't run don't be shy girl don't you be angry
Don't think I'm run girl I'm tryna make you get crazy
Pass the dough rush girl we going at this beat so maybe
You don't know what been in my head all day girl lately

Girl, you know you rock the world
My lovely girl
I'll make it, oh

I got some big things for you, don't worry 'bout tonight
I might just risk it for you, don't worry 'bout your life
I might just rescue you, and I'ma treat you right
I want the best of you, don't worry 'bout tonight
I got some big things for you, don't worry 'bout tonight
I might just risk it for you, don't worry about your life
I might just rescue you, and I'ma treat you right
I want the best of you, don't worry 'bout tonight

I want some big things for you, girl let me change your life
I do my best just for you, I ain't gone hold the light
Girl let's just make this story, but let me lead the way
I show the world your glory, just be like Mary Jane
Baby it ain't no thoughts, ain't thinking how you gon drive me crazy
Last night I blacked out girl, I might gave you a baby
I must have blacked out girl, I can't persuade my lady
Ain't no deal, free bro we just be on something lately

Girl, we in two worlds, two worlds
Run at me girl
I'll make it, oh

I got some big things for you, don't worry 'bout tonight
I might just risk it for you, don't worry 'bout your life
I might just rescue you, and I'ma treat you right
I want the best of you, don't worry 'bout tonight
I got some big things for you, don't worry 'bout tonight
I might just risk it for you, don't worry about your life
I might just rescue you, and I'ma treat you right
I want the best of you, don't worry 'bout tonight
