SD

I know you tired  
Cause I'm tired

Complaining complaining  
Nah that ain't my avenue  
Complaining complaining  
Girl I might get tired of you  
Complaining complaining  
Relax and take your mind away  
Girl I'm here to take time away

Complaining complaining  
Nah that ain't my avenue  
Complaining complaining  
Girl I might get tired of you  
Complaining complaining  
Relax and take your mind away  
Girl I'm here to take time away  
(Complaining)

See girl  
Let's stop all the nonsense  
Ayy

Relax, don't be angry  
Girl what seem to gotten to you?  
What strangest is lately  
Don't lie, quit complainin' boo  
You fallin', be painless  
The struggles we gon make it through  
I promise not to hate you  
Forever I might cherish you  
Somethings may not change  
Just patience, we gon wait with chu  
Sometimes people change, and me girl I admit  
That you no one to stay the same  
Don't think girl, it ain't news to you  
I finally found a way  
That'll show you that I'm here with you  
These games you be playin'  
But I can't stay upset with you  
You need to stop and see  
Girl why you keep complaining boo?

Complaining complaining  
Nah that ain't my avenue  
Complaining complaining  
Girl I might get tired of you  
Complaining complaining  
Relax and take your mind away  
Girl I'm here to take time away

Complaining complaining  
Nah that ain't my avenue  
Complaining complaining  
Girl I might get tired of you  
Complaining complaining

Relax and take your mind away  
Girl I'm here to take time away  
(Complaining)

I know girl  
Everybody got their reasons  
But I promise  
That ain't gonna get us nowhere  
Chill baby  
Take your mind away  
Don't complain  
Relax  
Ayy

The stories keep changin'  
Girl I'm so stuffed on havin' you  
Don't mention me with lames  
Girl you might catch an attitude  
Now I'm here to change the game  
Don't think bout what you missin' boo  
You focused, try to aim  
You worried bout what imma do

Complaining complaining  
Nah that ain't my avenue  
Complaining complaining  
Girl I might get tired of you  
Complaining complaining  
Relax and take your mind away  
Girl I'm here to take time away

Complaining complaining  
Nah that ain't my avenue  
Complaining complaining  
Girl I might get tired of you  
Complaining complaining  
Relax and take your mind away  
Girl I'm here to take time away
