

# Don't Take It Personal

SD

Red Beam call that neon  
Flip the script watch em re-runs  
You mad I got heat on  
Shit you could get ya freeze on  
Damn, they done made me feel invincible  
Trap turn this bitch up  
Emotional ass niggas man  
All these niggas in they motherfucking feelings man

It's a murder scene I guess he shouldn't have popped out  
Brett Farve, I bet these bullets hard now  
Feds watching, man they tryna touchdown  
These niggas bitches, watch how they get gunned down  
I swear I'm tried of these peons  
I guess they used to run them re-runs  
You mad just go breathe on  
Shit, just don't take it personal

Red Beam call that neon  
Flip the script watch em re-runs  
You mad I got heat on  
Shit you could get ya freeze on  
Half ass workers, you get me [?]  
Boss made, damn I got my feet up  
True toed I've been out the meter  
Paper routes, still won't find my way home  
Glock 17 boy you won't see long  
Self made I know that they don't see though  
Dead presidents, but I'm that hero  
Trap play me, say I'm like torpedoes

It's a murder scene I guess he shouldn't have popped out  
Brett Farve, I bet these bullets hard now  
Feds watching, man they tryna touchdown  
These niggas bitches, watch how they get gunned down  
I swear I'm tried of these peons  
I guess they used to run them re-runs  
You mad just go breathe on  
Shit, just don't take it personal

Thinking back, full of shit  
Stop it I'm just into it  
Thinking 'bout the next nigga move, that's why you losing it  
Got guwap in the stash that's the past, I was fooling  
Got choices what you choosing then?

Money to be made I got my [?] on  
Power stroke, she feel me I'm beneath her  
A lot of niggas talk, they come with re-runs  
Tight shift, I hope you brought your leons  
Mr. Knock It Off, I knock you off hope ain't no reason  
A lot of dead bodies, that's what he on  
Paper soldier, get ya ass drew on  
Don't take this personal, might find a reason

It's a murder scene I guess he shouldn't have popped out  
Brett Farve, I bet these bullets hard now

Feds watching, man they tryna touchdown  
These niggas bitches, watch how they get gunned down  
I swear I'm tired of these peons  
I guess they used to run them re-runs  
You mad just go breathe on  
Shit, just don't take it personal
