

Excuses

SD

Stop making excuses
Stop making excuses

Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
(Excuses!)

Deep inside of you it makes me think 'bout what to do
I'll let your body take control girl you lose
You like to drink I shoulda knew
Let's get you wasted you confused
I wanna make a night something you don't do
I wanna deep-stroke, low
Show you how rock
I wanna take you low, you know
Show you where to go
Don't play that stranger role, we know, girl was stuck
You ain't afraid to go, we know
When no one else watching
Stop, your excuses not too hot (she keep making excuses)
Ah, she screaming out her lungs (I told you we could do it)

Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
(Excuses!)

Let ya take your time girl, I won't pace unless we [?]
I'll have to make you think back on yo mind
I'm gon give in to you [?]

Don't wanna stop, let's stay at it
Girl we can a make night, something to excuse
I need to touch you off, inside feeling yo thigh
It ain't no reason [?] quit lying
Girl we in here to vibe
She ain't afraid to show, she low
And she can get it popping
It ain't no danger role, she know
That I'ma be on top
Stop, your excuses not too hot (she keep making excuses)
Ah, she screaming out her lungs (I told you we could do it)

Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
Stop, right now cause girl
You really don't need anything
(Excuses!)
