

Gotta Get It

SD

K.E. on the Track

I gotta get on it, I gotta get on it
I gotta get on it
I gotta stay on it

I'm focus on more, I gotta get on it
The dough going show, I gotta get on it
I can't go back to broke, so I gotta stay on it
I gotta stay on it, I gotta stay on it
I gotta get more, I gotta get on it
For my squad I blow, we gotta stay on it
My daughter going glow, I gotta get on it
I gotta get on it, I gotta get on it

Money ain't a thang, so I gotta stay on it
My daughter gotta ball, so she gotta get all of it
I put that on her, I'ma ball 'till I'm off it
I gotta do something, she want me for nothing
This shit hasn't been the same, we done came up for nothing
Glory Boy the squad, we turn up 'till nothing
You trust we blind ya, our guns remind ya
Money comes and goes, like your bitch, we declined her
I been thinking hunnas at the table we Dinning
Thinking about the glory life, I can't help but shinning
I smoke 'till I wanna, I might make a come up
Money boy I got it or I might have to stall ya

I'm focus on more, I gotta get on it
The dough going show, I gotta get on it
I can't go back to broke, so I gotta stay on it
I gotta stay on it, I gotta stay on it
I gotta get more, I gotta get on it
For my squad I blow, we gotta stay on it
My daughter going glow, I gotta get on it
I gotta get on it, I gotta get on it

All about a bag, I gotta chase it like I'm racing
Smoking on this dope, I'm high as hell look like a Asian
Ride foreign cars, fast lane, ain't got no patience
Since I got a son, I gotta grind, so I can make it
Pick the speed up and tell the pussy I done made it
I ain't can't go nowhere, I can't change, I gotta chase the paper
Gotta a lot of money, more money bring haters
Doing all that yapping, have my youngin' come and spray him
Focus on the ball, I gotta get do it, do a sin
I need hundred mill so I spurge and count them M's
Focus on the ball, I gotta get do it, do a sin
I need hundred mill so I spurge and count them M's

I'm focus on more, I gotta get on it
The dough going show, I gotta get on it
I can't go back to broke, so I gotta stay on it
I gotta stay on it, I gotta stay on it
I gotta get more, I gotta get on it
For my squad I blow, we gotta stay on it
My daughter going glow, I gotta get on it
I gotta get on it, I gotta get on it
