

I Wonder

SD

I wonder, aye
How much can a young nigga make?
I wonder, aye
Will there be a day where that I don't wait?
I wonder, aye
Who this bitch gon say she love today?
I wonder, aye
Will I have to use these guns today?

I wonder
Will I get some cake today?
Will I make it to the top and gets my peoples all straight?
I wonder
Will I smoke my life away?
Will I wake up in a mansion and have no worries in my way?
Don't be dull boy
Cause I got essays 'round my way
I wonder if this gun shoot, who gon end up late?
But it's okay
Cause we got ammo for the race
I hope you tie yo lace boy, shit ain't safe
I wonder
This bitch might just fly away
She bugging me too much to wanna stay
I wonder
Will I be rich today?
Or will I have to sit around and wait?

I wonder, aye
How much can a young nigga make?
I wonder, aye
Will there be a day where that I don't wait?
I wonder, aye
Who this bitch gon say she love today?
I wonder, aye
Will I have to use these guns today?

I wonder
Will this one day be my day?
Will I take over the world, can I hold my own weight?
I wonder
Shit, am I here to stay?
Or if you try to rob will you meet your death day?
Don't trust these hoes, they trynna say
My money too important, had to use my alternate
But I'm okay
I'm feeling good by the way
Sometimes I get the feels, that's when I smoke one to the face
I'm living great
I can't worry 'bout today
I wonder in what country will I spend my life away?
I wonder
Will my pockets grow today?
Shit, how much can a young nigga make?

I wonder, aye
How much can a young nigga make?

I wonder, aye
Will there be a day where that I don't wait?
I wonder, aye
Who this bitch gon say she love today?
I wonder, aye
Will I have to use these guns today?
